3. Conditions of the Authorization

- The amended product information (SmPC) and labeling texts approved by this decision are available in the official electronic database of NÉBIH: https://atiportal.nebih.gov.hu.
- The authority has entered the amendment into the official register.
- A **6-month transition period** is granted for the implementation of label and product information changes.
- Certificates issued before **23 June 2025** are no longer valid.
- The registration certificate is valid **for an indefinite period**.
- Products remain subject to inspection by the Veterinary Medicinal Products Directorate of NÉBIH.

4. Administrative Details

- Administrative service fee: HUF 100,000 (paid on 11 January 2025).
- This decision is final upon notification.

5. Legal Remedies

An administrative lawsuit may be filed against this decision.

- The statement of claim must be submitted to **NÉBIH** and addressed to the **Budapest-Capital Regional Court** within 30 days of notification.
- Business entities registered in Hungary and parties represented by legal counsel must file electronically via the http://anyk.nebih.gov.hu platform.
- Filing does not suspend enforcement of this decision.
